This is the rarely told story of a well intentioned father who yearned for a substantial and meaningful role in his childrens lives-a role that was repeatedly denied by gender-biased systems which empower mothers to exact vindictiveness through victimized children. Follow the authors unrelenting journey as he weaves a truth-is-stranger-than-fiction tale of fatherhood which encompasses virtually every human experience imaginable-joy, pain, victory, defeat, truth, deceit, strength, and powerlessness. Despite the ultimate painful irony experienced by this father, join him as he exemplifies the power of faith. This item ships from multiple locations.
