Headline Publishing Group. Paperback. Book Condition: new. BRAND NEW, Looking for Madeleine, Anthony Summers, Robbyn Swan, The 2007 disappearance of three-year-old Madeleine McCann from her bed in Portugal touched millions around the world, and has aroused sometimes dark controversy. The years pass, but this most emotive of cases still makes headlines worldwide. Award-winning authors Anthony Summers and Robbyn Swan have written the first reliable, independent account - drawing on in-depth interviews and rigorous analysis of both the Portuguese and British police investigations. Are we closer now to the truth about Madeleine's disappearance? Was the child abducted, or did something else happen? A senior officer on the continuing British police probe told the authors after the first edition of this book was published: 'The case is solvable'.
