What the Buddha Taught

By Walpola Sri Rahula

Grove/Atlantic, United States, 1994. Paperback. Book Condition: New. Revised ed.. 208 x 134 mm. Language: English . Brand New Book. This comprehensive, compact, lucid, and faithful account of the Buddha s teachings persistently enjoys great popularity in colleges, universities, and theological schools both here and abroad. An exposition of Buddhism conceived in a resolutely modern spirit. from the Foreword. For years, says the Journal of the Buddhist Society, the newcomer to Buddhism has lacked a simple and reliable introduction to the complexities of the subject. Dr. Rahula s What the Buddha Taught fills the need as only could be done by one having a firm grasp of the vast material to be sifted. It is a model of what a book should be that is addressed first of all to the educated and intelligent reader. Authoritative and clear, logical and sober, this study is as comprehensive as it is masterly. A classic introductory book to Buddhism, What the Buddha Taught, contains a selection of illustrative texts from the original Pali texts, including the Suttas and the Dhammapada (specially translated by the author), sixteen illustrations, and a bibliography, glossary, and index.
