CONSUMER PSYCHOLOGY

Paperback. Book Condition: New. Not Signed; Qualitative consumer psychological research is central to understanding consumers and produces veracious consumer insights. However, no study guide format book exists that provides details of a course in qualitative consumer research. This book focuses upon newer techniques (e.g.: netnography) and implementations of traditional approaches (focus groups, in-depth interviews, etc.). Ethics are considered in the context of contemporary research approaches. This book coherently presents a course and assessment in qualitative consumer research. The book can...
