Night Mares in the Hamptons

By Celia Jerome

DAW BOOKS, United States, 2011. Paperback. Book Condition: New. 173 x 104 mm. Language: English . Brand New Book. Graphic novelist Willow Tate is a Visualizer, able to draw images of beings from the realm of Faerie, bringing them from their world to ours in the process. After a ten-foot-tall red troll follows her from Manhattan to Paumanok Harbor in the Hamptons, Willow realizes that many of her relatives and their neighbors possess psychic talents-truth- knowing, scrying, weaving wishes, picking lucky numbers, and more. So when magic and mayhem return to Paumanok Harbor, and Willow is called upon to rescue the town, she enlists the local talent. Three magical mares are searching the Long Island village for a missing colt, and their distress is causing sleeping nights, bad tempers, and dangerous brawls among the gifted but peculiar residents. Though the Department of Unexplained Events sends Willow a world-famous horse whisperer, Texan Ty Farraday seems more interested in whispering in her ear than in rescuing the kidnapped colt whose terror only Willy can feel. Even with help, she still has to struggle with snakes, drug dealers, tourists, hidden caves, a mad scientist-and the almost overwhelming distraction of that sexy cowboy.

Reviews

I actually started looking over this publication. It really is rally interesting throgh studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.
