Chronic Pain: A Way Out: (Comprehensive Treatment 12-Step Recovery Guide)

By Stephen Colameco MD

Createspace, United States, 2012. Paperback. Book Condition: New. 228 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Chronic pain is often a complex condition that fails to respond adequately to medical treatments alone. Successful management requires integrated treatment approaches such as those offered by nationally recognized comprehensive pain programs. For those who do not have access to these programs, this book offers steps to help create an alternative treatment path that includes evidence-based medical treatments, physical modalities, counseling, self-care education and alternative approaches. This book is a resource for not only for those who suffer with chronic pain but for their families and healthcare providers. It includes information about interventional pain management procedures, medications, psychological treatments, physical therapies, alternative and complementary approaches. The book also address the risk of addiction to opioid medications. Each chapter includes specific action steps to help individuals determine the types of treatments that might best meet their needs. This book also includes an updated version of the author s previously published 12-Step Chronic Pain recovery guide. The 12-Steps are intended to help individuals recover from the emotional suffering that so often accompanies chronic pain. The 12-Step approach presented in this...
